Photo/Video/Film Release

Note: The U.S. SPACE CAMP® and AVIATION CHALLENGE® facility in Alabama is occasionally visited by news media, video/film crews, or photographers hired by U.S. SPACE CAMP for the purpose of taking promotional or publicity photographs, video or film. Visiting group chaperones and guests also take photographs, video or film. There is a possibility that students and adults attending programs will be photographed.

I give my consent to authorize the Alabama Space Science Exhibit Commission or any entity or person authorized or designated by it the use and reproduction of any and all photographs, video or film taken of the person named above during program training activities and related activities. I understand there will be no compensation to me. All negatives and positives, together with said prints, video or film are the Property of the U.S. Space & Rocket Center or the entity or person authorized or designated by it, solely and completely. I also waive any right to inspect or approve any photo, video or film taken during my visit. I affirmatively release and discharge the Alabama Space Science Exhibit Commission from responsibility for any distortion or manipulation, whether intentional or otherwise, of photos, video or film taken of me during my visit.

I do not give my consent.
